### CHECKLIST

- corners
- cracks
- folding
- water damage
- mold
- missing pieces

---

*“See image next page”*

### **Present**

**A - Little (spot) damage**

**B - folding, It seems that this lithograph has been folded briefly in the past. After which a light bubble stripe remains when folding back. You can also see the concave slightly at the back.**

**C - No neat corner, with light folds**

**D - Small dents**

**E - Rough finish paper**

### **Not present**

**We didn't found any cracks, water damage or mold. There are no missing pieces which we could find.**
